- We aim to recognize and address inequities in our policies, programs, and services.

- We will update and document progress on our diversity, equity, and inclusion practices.

- We will take action to improve diversity, inclusion and equity in our board and leadership positions.

- We will develop internal resources that demonstrate our commitment to diversity, inclusion and equity.

- We will practice and encourage transparent communication in all interactions.

- We will develop a system to create awareness and address biases during our recruiting, hiring, promoting, or evaluating processes.

- We will train our personnel to be responsible for orienting, onboarding, and training our staff and volunteers on equitable practices.

- We will identify resources for our underrepresented constituents by networking with other organizations that are also committed to efforts for diversity, inclusion and equity.
